

River Retreat

The wetlands of the Murray Darling Region are integral to maintaining the health of the unique, yet fragile ecosystems of South Eastern Inland Australia. Trentham Estate's 'River Retreat' range of wines is based on an initiative dedicated to raising awareness of these wetlands.

Each purchase of the River Retreat label results in a donation to the La Trobe University Foundation, Mildura.

2018 CHARDONNAY

Winemaking

The grapes were picked during the cool of the night to maintain fresh varietal flavours then de-stemmed and pumped into the press. Only the best quality free run juice was taken off and clarified before adding yeast. The ferment was carried out at cool temperatures until dry. After sometime on the lees, the wine was blended and bottled.

The Wine

Light straw in colour with aromas of stone fruit and melon. On the palate, flavours of nectarine and peach are plentiful. A soft and fruit driven Chardonnay, with good balance and length.

With Food

Great with chicken and pork or creamy seafood and pasta dishes.
