

River Retreat

The wetlands of the Murray Darling Region are integral to maintaining the health of the unique, yet fragile ecosystems of South Eastern Inland Australia. Trentham Estate's 'River Retreat' range of wines is based on an initiative dedicated to raising awareness of these wetlands.

Each purchase of the River Retreat label results in a donation to the La Trobe University Foundation, Mildura.

2018 SAUVIGNON BLANC

Winemaking

The grapes were picked during the cool of the night, de-stemmed and pumped into the press. Only the best quality free run juice was taken off, cold settled then later racked to ferment. The ferment was carried out with selected yeast to enhance the Sauvignon Blanc varietal characters. Post fermentation, the wine was stabilised, clarified and bottled.

The Wine

Light green showing lifted tropical fruit aromas with flavours of kiwi and passionfruit; an easy drinking zesty style to enjoy on any occasion.

With Food

Delicious with seafood and light chicken dishes.
